DESCRIPTION

We Ship Motorcycles www.We-Ship-Motorcycles.com is a subsidiary of Software Developer Pro www.SoftwareDeveloperPro.com an Advanced Software & Website Development Company located in Houston, Texas. Software Developer Pro (S.D.P.) developed advanced software for the Motorcycle Dealers including Motorcycle Dealer Websites, CRM, Dealer Software, Portals, and many more. See www.MotorcycleDealerBase.com for services.

SDP developed advanced shipping management software for **We Ship Motorcycles** to handle logistics to get your bike shipped for the best rate and tries to match or beat any Reasonable Motorcycle Shipping Rates.

“Purposely, we are here for you for the following:”

➤ To give your Dealership an easier, more convenient, online quote request and door to door motorcycle delivery process.

➤ To provide you with on-time, safest and most affordable motorcycle transport method available.

➤ We will ship whether you need residential or business motorcycle shipping, our drivers will protect your bike from your first phone call to the minute your driver rolls it off the truck.

BENEFITS

➤ We will offer you a professional dealer profile page and updated cycle listings for your dealership on www.MyNextCycle.com free of charge (\$1,800 value) for getting your cycle shipping quotes from www.We-Ship-Motorcycles.com and using our shipping services when ours is the lowest quote. (If you receive lower quote from other service use them for that specific shipment) (2 cycle per month min.)

➤ We are able to offer the best rates on motorcycle shipment as we developed the software for the motorcycle shippers. Therefore, we can locate and contract with the shippers that takes the route your motorcycle needs to be shipped.

BENEFITS

- Our Carriers are experienced Motorcycle Shippers who have proven themselves time and time again delivering bikes on time and without incident.
- Our Motorcycle Shipment Carriers are fully insured so your bike is covered during shipment.

We aim to beat
or match any
REASONABLE
PRICE for
Motorcycle
Shipment.
