

ONLINE VEHICLE AUCTION

Online Vehicle Auction

<http://online-vehicle-auction.com>

THE OVERVIEW

My Next Auto proudly launches our Automated National Car Portal (www.MyNextAuto.Net) and Online Vehicle Auction site (www.Online-Vehicle-Auction.com).

Our National Car Portal & Online Vehicle Auction provides convenient direct links between the car buyer and the dealer. It offers attractive features such as automatically updating our dealer's vehicle listings twice a week to keep current with dealerships inventory without any effort by our dealers.

My Next Auto is a subsidiary of Software Developer Pro, an advanced software and website development company located in Houston, Texas.

ONLINE VEHICLE AUCTION

OUR GOAL

- ✚ Our goal is to provide car dealers with the most affordable, hassle free and time saving advertising method that is available on the market.

KEY BENEFITS FOR DEALERS

- ✓ Our team will co-ordinate with dealers at every stage to ensure that their dealership profile and vehicle listings are professional and current.
- ✓ Visitors will be able to use Google Map to find out the distance and directions to your showroom.
- ✓ Our Automated Vehicle Listing Software will update your vehicle listings twice per week to keep your advertising current with your vehicle inventory.
- ✓ You do not need to keep any extra staff or take time out for updating your inventory on our websites. Our automated vehicle listing module will take care of this.
- ✓ Our SEO Team will Optimize your dealership's profile pages to deliver buyers for your vehicles.

ONLINE VEHICLE AUCTION

HIGHLIGHTED FEATURES OF ONLINE-VEHICLE-AUCTION

1. Our Automated Vehicle Listing Software will update your dealership vehicle listings twice per week by scraping them from your dealership's website or other portal site used by the dealership to keep your vehicle listings current with your dealership vehicle inventory.
2. Online vehicle auction will make your asking price the "buy it now" price. There is also an option for the buyer to "make offer" price. The interested buyer contact information will be sent to your dealership sales team so that they can contact the buyer directly.
3. As the vehicle sale is made directly between the client and your dealership, there will be no auction fees from the sale.

HIGHLIGHTED FEATURES OF MY NEXT AUTO

1. Dealership profiles are presented in a highly professional manner with extensive description of each listing
2. The professional design of the portal offers hassle free navigation and a comfortable browsing experience for buyers.
3. Our Automated Advertising Listing Software automatically scrapes your dealerships vehicle listings from your dealer's website or other vehicle portal sites twice per week to keep your vehicle listings updated and current.
4. Moreover, My Next Auto offers this automated service at a very affordable rate of only \$100 per month.

ONLINE VEHICLE AUCTION

In summation Online Vehicle Auction's listing program is truly a win-win-win. Buyers will love the wide range of options to compare at one place. The Automated advertising program is priced at only \$100 per month.
